

Do you know someone in need of a high school diploma?

HRDC6 Adult Education
is ready to help!

Why wait?

HRDC6 Adult Ed. offers free instruction to students age 16 and older, who wish to prepare for the high school equivalency test.

The HiSET test is accepted by employers and colleges and is considered to be acceptable as a substitute for a traditional high school diploma.

Obtaining a HiSET diploma increases not only one's educational and employment opportunities, but also improves one's earning potential.
